### How to use your Chart

For each day of Lent, simply write down your total number of sacrifices next to the cross in that day's date. Write your total number of good works next to the heart. Continue this throughout Lent. And on Holy Saturday night- add up everything and write the Grand Totals beside the cross and heart at the end of the Path. Then, having offered Jesus and Mary consoling reparation in Their intense sorrows - you can rejoice with Them in Their immense joy!

Visit Br. Michael Joseph at [www.CatholicKingdom.com](http://www.CatholicKingdom.com) for definitions & ideas for sacrifices & good works.

*Console Jesus and Mary on Their  
Way to Calvary*
